A runaway which didn't look very serious scared people on lower Main street yesterday afternoon. An unharnessed horse, with a long hitch-rope attached and a stick on the end of the rope galloped up the street. At the corner of Brook street some men tried to head off the runaway, which drove the animal onto the lawn of F. N. Whitcomb. Mr. Whitcomb's family were sitting on the lawn, and the horse made straight for them. The people all scurried for safety and barely got out of the path of the frightened animal. The spectators thought that one of the women would surely be run down. After causing this hurry the animal again got back into the road and was later captured.

THE BEST SUITS IN AMERICA FOR \$15.00.

We are willing to be judged by our \$15.00 Suits. In the first place they are equal to the usual \$18.00 and \$20.00 Suits sold elsewhere. That's a saving to begin with. Then they are "Rosman Clothes" and that speaks volumes for their style, materials and workmanship. That's the whole thing in a nutshell. But another point is that there are hundreds of good dressers in town who think they are the best ever; and we want a lot more to try them who think that \$15.00 ought to buy a rattling good Suit. Better try one. A new lot of patterns just in from the "Rosman" workshop. Call and see them. There are some elegant brown styles among them.
